**Preamble:**

Sanction of the Government was accorded on 23.03.2007 to develop an airport at Bijapur on public private partnership (PPP) basis. M/s.Marg Ltd., was selected as the developer for the development of the airport project. The project development agreement was signed with them on 18.01.2010. As per project agreement, airport works had to be completed within 24 months from the date on which the land for airport is handed over to the developers. For the development of this project, Bank Guarantee of Rs.2.50 crores has been obtained as Performance Guarantee from the developers i.e., M/s Marg Ltd., and the same has been renewed upto 31.12.2013. The Government has acquired 727 acres of land at a cost of Rs. 6401.39 lakhs for the development of this airport. The land required for this airport has been acquired but the developers have not signed the land lease agreement even after several reminders though they were asked to take possession of this land. In the meeting held on 05.06.2012 under the Chairmanship of Chief Secretary, the Chairman of M/s Marg Ltd., had explained that after conducting extensive technical and financial feasibility study of the

land sanctioned for the Bijapur Airport, there is necessity of taking up large scale cutting and filling up work in the lands allotted to the airport and approximately Rs.81.00 crores may be required for that and the project is not feasible since it involves more capital investment.

2. On this occasion, the Chief Secretary stated that this project is likely to be feasible, because Bijapur is a tourist centre, and the State Government has taken up several developmental works here. Important among them are extensive cultivation of horticultural crops, establishing Kudagi Power Plant, Sugar factories, Solar Park, extending the irrigation area etc. As a result there may be increase in number of air passengers and cargo capacity.

3. This project will not only encourage aviation industry but also create opportunity for establishing horticulture related industries in this area. Further airport policy for minor airports for operation of small aircrafts in the state is under consideration. Further, the Chief Secretary stated that, approximately 1000 acres of land which is there at the disposal of KIADB is in the Land Bank, and if the land allotted for the Bijapur airport is not suitable, then alternative place in the said land may be identified. He requested the Deputy Commissioner, Bijapur to identify a suitable place for the airport after conducting joint survey along with KIADB and M/s. Marg Ltd..

4. Accordingly, further action was expected from the developers. But in the letter dated: 27.7.12, the developers have expressed that they would like to withdraw themselves from this project by stating that the Bijapur airport project is technically and financially not feasible and even if alternative land was provided in 1000 acres industrial area, approvals have to be obtained once again from the Defence Ministry and Ministry of Civil Aviation and there is no sufficient demand for establishing the airport in this area.

5. Against the above background, the question of terminating the Project Development Agreement entered into with the Developers M/s. Marg Ltd., was examined by the Government with reference to Article 4 and other relevant clauses for termination of the said agreement. Further, as per Clause 2.5.1 and Clause 2.5.2 of the RFP, bidders were encouraged to submit their bids after visit the project site and ascertaining the location, site conditions, utilities and such other information as are relevant before putting together their proposals. It is deemed that by submitting a proposal, a bidder is agreed not to use any of these as a ground for termination of the Project Development Agreement. As such all the bidders including M/s. Marg Ltd., were expected to assess various aspects including site conditions, state of economy, viability, financial capacity etc. before submitting their proposal and only after undertaking reasonable assessment of these conditions they were required to submit their bids. Therefore to take extreme steps of discontinuing with the project on the basis of technical and financial viability of the project is not acceptable at this juncture when the Government relying on the capacity of M/s. Marg Ltd., has gone much ahead in the project and has also acquired the land required for the project. Typically, under a BoT arrangement, the commercial issues are allocated to the private party. Hence, seeking termination of a contract for reasons of unviability of a project is not warranted at this stage as the same would lead to breach of terms of the project contract. Section 73 of the Indian Contract Act, 1982 provides that, in the event of breach of contract, the party who suffers by such breach is entitled to receive from the party who has broken the contract, compensation for any loss or damage caused thereby. Applying these principles of Law of Contract, Government is entitled for compensation for loss and damage caused by breach of contract.

6. Further, in the Letter of Bid (Appendix-I submitted as part of the Bid), M/s Marg Ltd., has undertaken that, the Lease Rentals are quoted by them after taking into consideration all the terms and conditions stated in the RFP, draft Project Development Agreement and based on their own estimates of costs and revenues and after a careful assessment of the site and all the conditions that may affect the Bid.

7. If the agreement gets terminated for the reasons of M/s. Marg Ltd., finding the project unviable, considering the effort put by Government in selecting the Bidder, executing the Agreement, acquiring land required for the project etc. and taking into account the losses and damages likely to be incurred in terms of cost and effort, Government has a right to forfeit the Performance Security submitted by M/s. Marg Ltd., for the project and claim additional damages as it may deem appropriate.

8. After examining all aspects, a decision was taken by Government to revoke the Bank Guarantee and to make a claim before the Bank.

9. Accordingly, a letter read at Sl No. 5 above was issued to Indian Bank, Harbour Branch, Chennai to revoke the Bank Guarantee in favour of Governor of Karnataka. The Demand Drafts for Rs.2.5 crores in favour of Governor of Karnataka have been obtained from the said bank and is being remitted in the relevant Head of A/c.

10. After considering all aspects of the matter, the following orders are issued:-

**GOVERNMENT ORDER NO: IDD 166 DIA 2013, BANGALORE, DATED: 10-01-2014**

In the detailed circumstances, explained in the preamble, sanction of the Government is accorded to:

I. Forfeit the bank guarantee of Rs. 2.50 crores furnished by the developers M/s. Marg Ltd., for the Bijapur Airport Project in favour of Government of Karnataka.

II. Terminate the Project Development Agreement entered into with the Developers M/s Marg Ltd.,

III. Take legal action in accordance with the provisions of the Project Development Agreement.

2. This order is issued in consultation with Law Department vide note No: Law 739 Opinion 2013, dated 10-12-2013 and with Finance Department vide note No: FD 1511 Exp-1/13, dated 16-12-2013.

By Order and in the name of Governor of Karnataka,

**ROBIN VANARAJ. J**
Under Secretary to Government (i/c)
